

Safety Starts at Home!

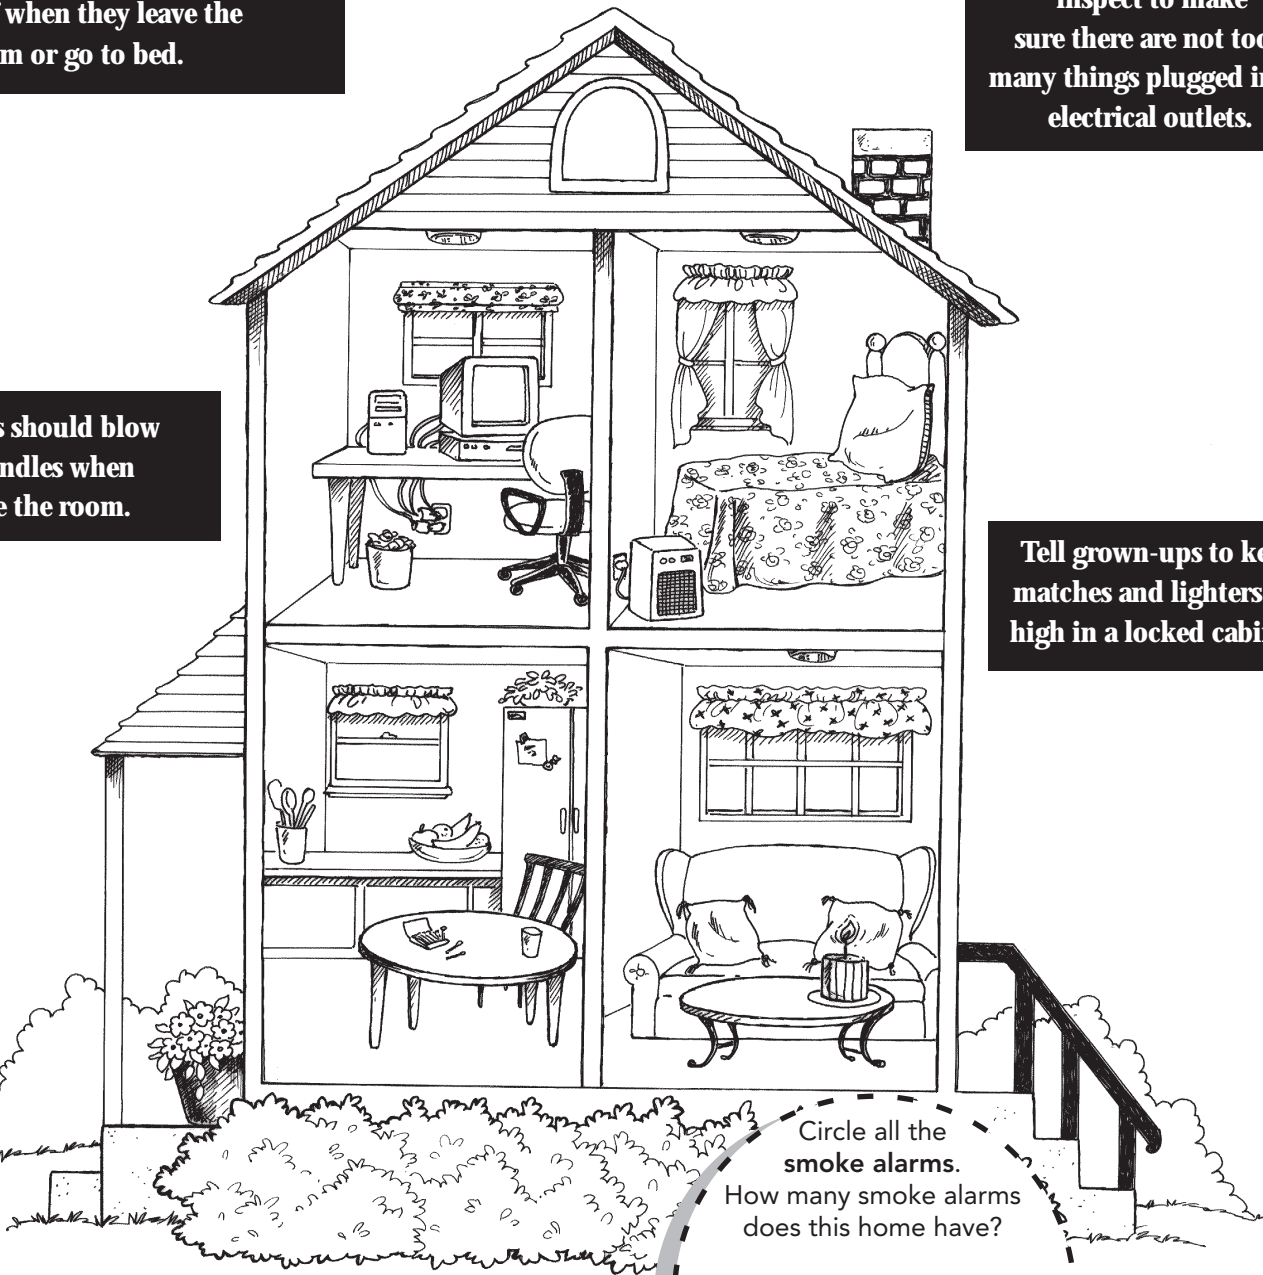

Make this home fire safe! Draw a line from each safety message to the safety hazard in the house.

Remind grown-ups to keep space heaters 1 meter from anything that can burn and turn space heaters off when they leave the room or go to bed.

Remind grown-ups to inspect to make sure there are not too many things plugged into electrical outlets.

Grown-ups should blow out lit candles when they leave the room.

Tell grown-ups to keep matches and lighters up high in a locked cabinet.

Circle all the smoke alarms.
How many smoke alarms does this home have?

Every home needs a smoke alarm on each level, inside each bedroom and outside the sleeping area.

Developed by the NFPA.
